## Warm Springs Men's Association

As required by the USGA and the IGA, the Warm Springs Men's Association has established a handicap committee. This committee will monitor scores and handicaps of the members of the association. If we find irregularities in scores posted or not posted of our members, we will require those members to turn in an attested score card with each round posted. All scores should be posted by the individual player except Tournaments; those scores will be sent to the IGA by the handicap Committee.
