Ladies Golf Association League

2019 SEASON

Ladies Day League

Format: 18-Holes (or 9 holes) of medal play, in a social, non-competitive format from the 1st Tuesday of March through the last Tuesday of October. The shotgun start is at varying times during the season (see Schedule). Since members are not required to play each week, we ask that you sign-up at the clubhouse by Sunday of each week so that playing groups can be organized. All players are asked to arrive 30 minutes prior to the shotgun start to check-in and be ready to start on time at the assigned hole.

Meetings

Monthly meetings are held at the Warm Springs Club House on the first Tuesday of each month from March through October. Meetings are scheduled to begin half an hour before play begins.

Greens Fees & Carts

Players are responsible for greens and cart fees each time they play in league. Each week a “play of the day” competition is held; the entry fee is \$2.00 to participate in Play of the Day. Be sure to get to the course early enough to sign up for the Play of the Day.

Association Dues

Association dues are \$70.00, which includes your IGA handicap as well as Day League dues. All members of the Day league must have a current GHIN handicap with Warm Springs Golf Course as their home course. Association dues for women who play in both the Day and Twilight Leagues are \$103.00

Ladies Twilight League

Format: 9-Holes of 2-Lady best-ball play. There is a possible of 10 points each night; 1 point for low net score on each hole, ½ point for ties, as well as a 1 extra point for the low gross team total.

Teams will be split into flights by their handicaps. The lower handicap of your team determines which flight you will play. Maximum handicap spread of each team is 10 strokes. If players with a 6 and 24 handicap want to play together, the 24 must play to a 16.

Schedule: The Twilight League will begin in mid-April on Wednesday evenings, with approximately 14 weeks of play through the end of July. A Shotgun start is at 5:45 pm; please arrive early enough so that you can be at your starting hole by 5:40 pm.

No Shows/Late Shows: If neither team member shows up for play, the opposing team will play against the course using their handicap strokes on each hole to earn points. This team will automatically receive the low gross point. If a player shows up late for play, they may join their teammate and opponents; however, that player must forfeit the hole(s) that she missed.

Subs: All subs must have a current handicap, but they do not have to be Warm Springs Ladies Association members.

Green Fees: \$336 - This fee is for green fees for the league period, and is expected to be paid at the beginning of the leagues season. Players who choose to ride in a cart should arrive early enough each week to pay for the cart at the Pro Shop.

Warm Springs Ladies Association

As required by the USGA and the IGA, the Warm Springs Ladies Association has established a handicap committee. This committee will monitor scores and handicaps of the members of the association. If we find irregularities in scores posted or not posted of our members, we will require those members to turn in an attested score card with each round posted. All scores should be posted by the individual player except Twilight League play and Ladies Tournaments; those scores will be sent to the IGA by the handicap committee.

Association Dues:

\$70.00 for one league; \$103.00 for both leagues
