Host Your Next Event At Warm Springs!

At Warm Springs, we can accommodate all of your event needs whether you are hosting a golf tournament, corporate meeting or retreat, charity event, or a golf outing with friends and family. Our professional staff will work with you to make your event a memorable occasion.

The Golf Course

Warm Springs is a par-72 course that is one of the longest courses in the Treasure Valley, measuring 6,961 yards from the tips. While the golf course is relatively flat, the tree-lined fairways can provide for some interesting second shots. The course is very playable, yet challenging for golfers of all levels.

Warm Springs is located between the Boise River and the Foothills in Southeast Boise, and appeals to nature enthusiasts. Often times you will see deer and other wildlife near the golf course.

Warm Springs is owned by the City of Boise and is operated by the Parks and Recreation Department.

Customized Tournament Packages

There are multiple levels of service to choose from to personalize your golf outing. All tournament pricing includes green fees, shared cart rental, and basic tournament services (scoring, contest set-up); additional services can be included in your outing for an additional fee. Minimum of 16 people for booking; shotgun starts must be approved by Tournament Director with a minimum number of players. A tournament can be scheduled up to 1 year in advance.

Food and Beverage

The friendly staff at the Warm Springs Café will work with you to provide all food and beverage services for your event. In addition, we can provide a stocked beverage cart (snacks, soda, beer, water) to serve to your guests while on the course. Also available are host-sponsored or no-host beverage carts.
